# 2020 Census vs 2010 Census

- In 2020, we will introduce new technology to make it easier than ever for individuals to respond to the census.
- For the 1<sup>st</sup> time, you will be able to respond online, by phone, or by mail. We will use data that the public has already provided to cut down on household visits.
- We are building a more accurate address list and automating our field operations—all while keeping your information confidential and safe

# What is a Complete Count Committee

## WHO?

Tribal, state, and local governments work together with partners to form CCCs to promote and encourage response to the 2020 Census in their communities. Community-based organizations also establish CCCs that reach out to their constituents.

## WHAT?

A CCC is comprised of a broad spectrum of government and community leaders from education, business, healthcare, and other community organizations. These trusted voices develop and implement a 2020 Census awareness campaign based upon their knowledge of the local community to encourage a response.

## WHEN?

The formation of CCCs is happening NOW! Leaders are identifying budget resources and establishing local work plans. In 2020, they will implement the plans and lead their communities to a successful census count.

# Structure of a Complete Count Committee

The Mayor or Highest Elected Official appoints the members of the CCC based on their ability to:

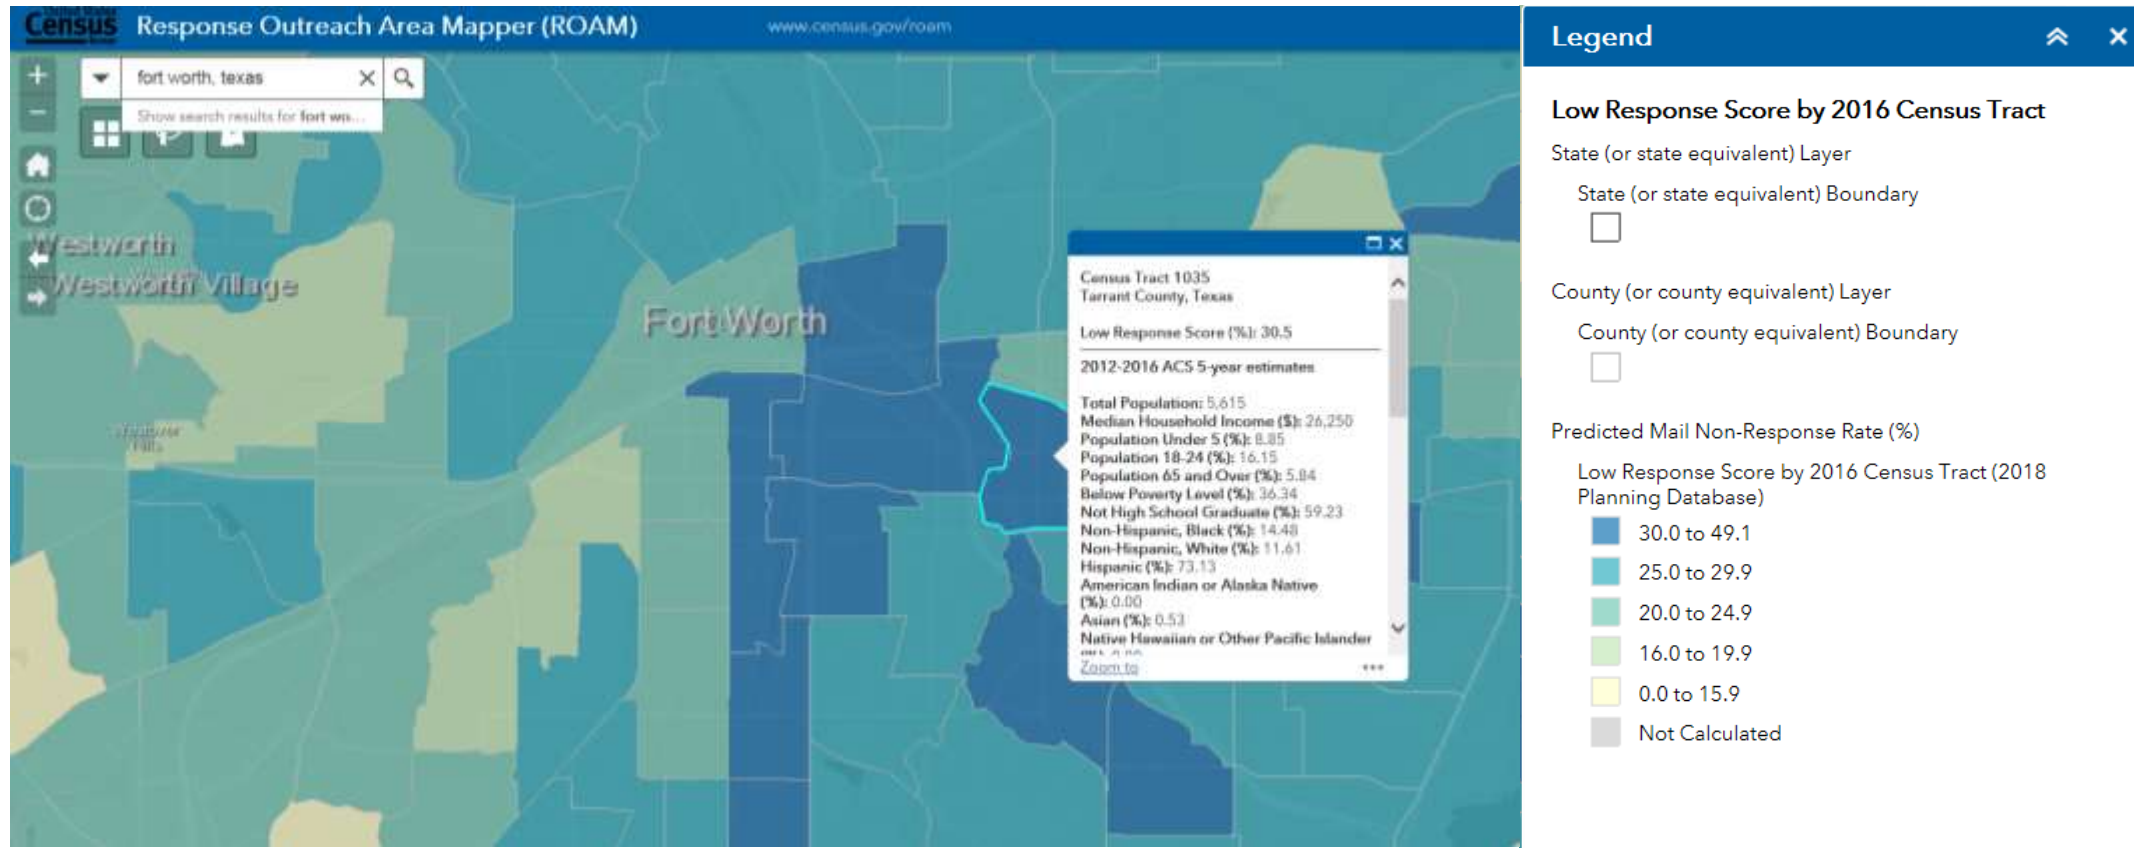

- Communicate to Hard To Count
- Bring Resources to the table
- Approve initiatives
- Influence
- Allocate sufficient time
- Represent all races/ethnicities in a non-partisan manner
- Create coalitions
